MOLO MONTESSORI

Student Application

We are excited you want to be a part of the MOLO family. The process of enrolling includes the student application, parent interview and student playdate. This process ensures that students and families are a good fit for our school as we do expect families to embrace the Montessori philosophy at home as well.

_____

_____

Does your child have any behavioral challenges you would like us to work on?

_____

_____

How long do you plan on keeping your child in our Montessori program?

Toddler   Pre-K   Kindergarten   Lower Elementary   Upper Elementary

All children have their own personalities with gifts and weaknesses. MOLO is committed to working with many types of children. Behaviors or learning differences do not preclude your child from attending MOLO. These questions let us get to know your child and try to find the classroom and teacher that best suits their needs.

MOLO does not have staff that are trained in Special Education as we are a smaller school. We do not recommend one of our classrooms for children falling under the Autism Spectrum umbrella.
